Recent Trend of Urban Planning in China

Speaker: Xiaojiang Li

President of the Chinese Academy of Urban Planning and Design (CAUPD).

Mr. Li is the President of the Chinese Academy of Urban Planning and Design (CAUPD). He is the Deputy Director of China's Urban Planning Society, Vice Chairman of China Urban Rail Transportation Commission and China Urban Public Transportation Commission. Mr. Li is also the Director of Subway and Light Rail Research Center of the Ministry of Housing and Urban and Rural Development, and a Senior Consultant of Urban Planning for Beijing, Shanghai, Guangzhou, and Wuhan Municipal Government. Mr. Li led the Post-disaster Planning Workgroup for Beichuan New Town's site selection, master plan and the overall coordination of planning and construction. He directed several large-scale projects that have won Grand prizes, first and second prize for the National Planning and Design Excellence and gold and silver medals for the National Engineering Excellence. He worked as a consultant for the World Bank project "Research on Chinese Urban Transportation Development Strategies" and for the Urban Transportation Bank-loan Project in Bangladesh.

Staff and students (BSc, MSc, and PhD students) are all welcomed.
