

# How to reach TfL Stratford office from Stratford Station?

Come out of the Westfield Shopping Centre exit for Stratford Station. At the exit veer slightly to the right and up the set of stairs/escalator on your left to 'The Street'.

Once at the top of the stairs pass between M&S and FatFace and walk through the shops taking the external, covered pedestrian street lined with shops and food outlets.

Turn left when you reach the Hyatt hotel and walk through another pedestrian street with bars and restaurants. When you come to the end, cross the road and walk towards the London Stadium. The entrance to 5 Endeavour Square will be on your left just before Pret a Manager which is on the ground floor of the same building.
