

FIND A JOB

The NEW site for Jobseekers

This new and more streamlined jobsite offers a range of features. Join now to be able to:

- apply for jobs
- upload CVs
- keep a record of your job searches and applications
- create email alerts
- save jobs to apply for later.

You can also use it to discuss your work search activity if you're claiming Universal Credit or Jobseeker's Allowance.

Find a job

About the new jobsite from DWP

jobcentreplus

Department for
Work and Pensions

With an account, you will be able to:

- Apply for jobs
- Upload up to 5 different CVs
- Keep an automatic log of Your Activities, which you can show or print.

Create account

You will need access to the internet (via a computer or smartphone) and your emails.

- Go to Find a job website
- Click or tap 'Create Account' button
- Enter your email and create a password.

An email should arrive within a few minutes.

- Go to the email and click on the 'Verify' link
- Follow on-screen instructions to complete registration.

Contact us

Click or tap 'Contact us' at the bottom of the webpage to ask any questions.

Mobile friendly

The Find a job site works well with most smartphones.

To add the site to your home screen:

- Bring up the webpage on your phone
- On iPhone, tap the  button at the bottom of the screen
- On Android, tap the menu icon
- Select 'Add to Home Screen'.

Help to use

We have created a YouTube playlist of help videos to guide you through the basics of using the site. Go to
