Postdoctoral Fellowships Preliminary form 2023
All questions must be completed

Section One -
Contact Details, Residential Information and DTP Institution

Your contact details

First Name   _____

Last name   _____

Email Address   _____

Telephone Number   _____

Your Institution   _____

Division or Department   _____

Place of birth (town and country)   _____

Nationality   _____

Country in which you are ordinarily resident   _____

Have you lived in the United Kingdom (England, Scotland, Wales, Northern Ireland) all of your life?

☐ Yes
☐ No

If No, please give the last date you entered the UK (excluding holidays).   _____

Reason for entering the UK   _____

Any other relevant information about your residential status   _____

Organisation where the Fellowship will be held

_____

Your principal pathway and institution at the UBEL DTP

Please select your principal pathway from the left-hand list and your chosen UBEL institution from the right-hand list. Note that institutions are only listed if the chosen pathway is offered at that institution

☐ Human Geography: University College London
☐ International Development: London School of Hygiene and Tropical Medicine
☐ International Development: SOAS University of London
☐ International Development: University College London
☐ International Development: University of East London
☐ Social and Policy Studies of Energy and the Environment: University College London
☐ Urban Planning and Project Management: University College London
☐ Urban Studies, Transport and Architectural Space: University College London
☐ Urban Studies, Transport and Architectural Space:
☐ Psychology: Birkbeck University of London
☐ Psychology: University College London
☐ Psychology: University of East London

- ☐ Anthropology: SOAS University of London
- ☐ Anthropology: University College London

Section Two - Project Details and Mentor

Date of PhD submission

_____/_____/_____(YYYY/MM/DD)

Expected or actual date of viva voce

_____/_____/_____(YYYY/MM/DD)

Outcome of viva

_____

Academic and research activity since the date of your viva

_____
_____
_____

Project Title

Up to 150 characters, including spaces

_____

Proposed start date of your Fellowship

Fellowships should last for 12 months full-time or up to two years part-time (pro rata based on your time commitment).
In exceptional cases, you may apply for a fellowship for up to 18 months (up to three years part-time); however, this must be fully
justified by the programme of activities you are proposing.

_____/____/____(YYYY/MM/DD)

📐 Duration of the fellowship (in months)

_____

🎲 Details of your Mentor

Your mentor must provide confirmation that s/he agrees to be involved in your project.
Please ask them to upload a brief letter of support confirming that: They agree to be involved at this preliminary stage; They agree to contact the relevant research services/institutional research offices to confirm costings if your application is taken forward to the full application stage.

Title and Name   _____

Institution   _____

Division or Department   _____

Email Address   _____

🔲 Section Three - Further details about the Fellowship

📐 Objectives

List the main objectives of the fellowship - up to 4000 characters including spaces Please specify concisely the aims and objectives that should be achieved by the end of the fellowship. These could include, but are not limited to:Produce publications in order to help establish track recordEngage with a range of different audiences to communicate their research findingsBuild networks to develop impact opportunities and inform and support their further developmentCollaborate with users through an internship or placement to help develop their professional and transferrable skills and understanding of users' organisationsFurther training to improve their research and related skillsDeveloping funding proposalsCarry out further limited research (up to 25%) based on their PhDTeaching, if in alignment with the wider purposes of the fellowship (up to a maximum of six hours per week)Internships or placements, providing they are an integral part of the fellowshipResearch visits to internationally leading research organisations – either in the UK or abroad – for the purposes of research collaboration, training, and/or access to data or other resources not available at the applicant's host organisation.

_____
_____
_____

📐 Summary

Describe the proposed research in simple terms in a way that could be publicised to a general audience (up to 4000 characters *including spaces*).Applicants should summarise the aims of the fellowship. It should be written in a style that is accessible to a variety of readers, including the general public. In the event of a successful award, the ESRC may publicise the summary to a general audience.

_____
_____
_____

📐 Beneficiaries

Describe who will benefit from the research (up to 4000 characters *including spaces*).Applicants should list those who are likely to be interested in or benefit from the proposed programme of work, and wherever possible this should consist of a wider group than that of the applicant's immediate professional circle. If not applicable please state this.

_____
_____
_____

🔲 Ethical Information

This section should comply with the requirements of the Framework for Research Ethics:http://www.esrc.ac.uk/funding/guidance-for-applicants/research-ethics
Has consideration been given to any ethical matters raised by this proposal?
• Yes
• No

Please explain what, if any, ethical issues you believe are relevant to the proposed research project, including the impact plans and user engagement, and which ethical approvals have been obtained, or will be sought if the project is funded? If you believe that an ethics review is not necessary, please explain your view - up to 4000 characters including spaces
