

# UCL FESTIVAL OF CODE

Celebrating Research Software  
& Coding Communities

The **UCL Festival of Code (14 – 18<sup>th</sup> June 2021)** celebrates the contribution software and coding communities make to research and innovation. Participate to learn new skills, tools, and insights, as well as to build your network across UCL. We welcome participants from all faculties, MSc and PhD research students, researchers, and members of professional services. Find out more and register for events online: <https://www.ucl.ac.uk/research/domains/festival-code-2021>

Follow the festival on twitter [@eresearch\\_ucl](https://twitter.com/eresearch_ucl) #UCLCodeFest

## Monday 14th June: Celebrating Communities

10:00 - 11:15 Funder panel: Challenges & opportunities of funding research software

11:30 - 12:30 Coding culture: the cultural values of five coding communities

14:00 - 16:00 Past, Present & Future of Research Software Engineering @UCL

## Tuesday 15th June: Exploring Open Science

10:00 - 11:00 An Introduction to Open Science Practices: From Code to Data and Beyond

11:15 - 12:15 Code sharing as an Early Career Researcher: the good, the bad and the ugly

14:00 - 16:00 Use of Docker for Efficient Software Development & Reproducible Research

## Wednesday 16th June: Creating Impact

10:00 - 11:00 Driving impact from research software

## Thursday 17th June: Project showcase

10:00 - 16:00 R Project Showcase

## Friday 18th June: Collaborative Hackday

10:00 - 16:30 UCL Bioimage Analysis Collaborative Hackday
