

Online Session 1: Research and Analysis Task 1

You will be randomly assigned to breakout rooms and asked to discuss one of four documents found on the sharepoint depending on your group number.

Discuss:

1. Who is the author of the document?
2. What is discussed in the document?
3. How recent / relevant is it?
4. Are there any biases you might need to consider before making any decisions based on the information presented?
